A Video Producer with 3 years experience producing one of the most successful online daily shows, "Louder With Crowder". Produced over 300 daily programs and over 500 short form videos. Highly adept at meeting consistent tight deadlines. Organized and skilled at creating production workflows and managing team communication. Possesses a strong track record in leadership, from storyboards and scripts to post production and final delivery formats. Seeking to leverage my technical and professional expertise to grow in a new leadership role at your company.

Skills

Professional expertise in Adobe Creative Cloud including Adobe Premiere, Adobe After Effects, Adobe Photoshop, Adobe Audition, and more.

Advanced knowledge in video technology including cinema cameras (Canon, Sony, and Black Magic), lighting systems, audio field-recording, troubleshooting, and maintenance.

Highly skilled in cinematography, frame and composition, creative lighting, and camera operation.

Professional expertise in post-production including video editing, still and motion graphics design, advanced green screen compositing, video formats and codecs.

Professional experience in audio production (field and studio recording), mixing, compression, equalizing, effects processing, and more.

Skilled in written and verbal communication with extreme attention to detail. Trained in Microsoft office and Google drive.

Experienced in creative writing and design including storyboarding, scripting, creative solutions, graphic design, and marketing strategies.

Excellent skills in organization (digital and physical) and time management. Able to coordinate and meet tight deadlines.

Experience

2016 -
present
